Help Marissa Elementary  
**GO GREEN**

**Please fill out and return one form per family regardless of your preference.**

In an effort to save paper and trees, Marissa Elementary is proud to offer a paperless way for you to receive important announcements from either the Elementary or District Office. **We will be sending out announcements/flyers/health updates/etc. via email to those who wish to participate.** This will serve two purposes:

- Help conserve the amount of paper used
- Ensure that important papers are reaching you at home and not lost in the shuffle

**If you would like to participate in this program, please fill out the information below and return to the school as soon as possible.** *\*Please note: If you decide to receive announcements via email, you will not receive a paper copy in your child's folder.* If you choose not to participate at this time, but change your mind at a later date, feel free to reach the school and we'll add your name to the list.
