Subject: Jostens Sophomore Class Ring Visits

A Jostens representative visited the high school on Tuesday, September 27, 2011 during activity period. Sophomore students met with this representative and received information regarding the purchase of their class rings. At this meeting, students discussed the design and payment options associated with the available selections. To help parent(s) and/or guardian(s) with this decision, a Jostens representative will be available to meet with parents on **Monday, October 3, 2011** regarding such an important investment. Parents should note that Jostens requires a deposit at the time of ordering. If you have any questions, please feel free to contact me at mheuring@marissa40.org or call at (618) 295-2393.
