Dear parent and/or guardian,

On May 6th, the students in Mrs. Prest's Physics class and Mrs. Latham's advanced art classes will hold their annual boat regatta at the Marissa Recreational Center. The regatta pits the art student's verse the physics student's boat building skills. Each boat must be able to float 2 students for a set amount of time and meet multiple criterions set forth for the competition. All safety precautions are taken for an event such as this. The regatta has become a tradition that students look forward to each year at Marissa Jr/Sr High School.

To help promote school spirit, good behavior, as well as both of these wonderful programs, the Jr/Sr High School will be taking students from grades 7-12 to the recreation center to cheer on their favorite boat or team. Due to the timing and nature of this trip, Marissa Jr/Sr High School has tied it with student behavior. Students earning more than 2 discipline points due to detentions or any type of all day detention/suspension during the weeks of April 11 through May 6th will not be allowed to attend. They will remain at school for a mandatory study hall during this time.

We encourage you to speak with your student about the discipline for the remaining portion of the school year. Please stress that while school is almost over, they are still responsible for their actions. A permission slip will be sent home with students the week we return from spring break. Students who do not qualify will be notified on May 5th.

Thank you,
Mark Heuring
